About This Game

Years have passed, decades maybe. Little goblin moved on, all but forgot about the great coin trouble, not even realizing that a new trouble is awaiting behind the doors! Run and jump through a new adventure, explore the world, collect coins and face enemies old and new in this evolution of a 2016 indie small bean Goblin and Coins.

- Improved graphics
- Extended mechanics
- Simple puzzles
- Revisit levels
- Even weirder enemies and story line
